## Description

2022 Rae Line 180

Powered by a Volvo 200hp V6 Sterndrive (fresh water cooled)

This Rae Line 180 is ready for your next season of boating. Rae Lines continues to fly out the door, and this powerful bowrider will not be around for long. The functional aspects of this boat are equally impressive. The 180 provides ample storage, and modern controls, all with Rae Lines attention to detail. Power is not an issue either. Powered by a Volvo 200hp V6 sterndrive, the Rae Line 180 has some get up and go with a great sound to match.

The bowrider concept means the whole boat is fully utilised, with seating for seven people. There are jump seats on either side of the engine box and complete with a swim platform. Plus a king/queen forward and single helm seat.

Buy with confidence from NZ's home of Rae Line boats.
