Description

2022 Williams Jet Tenders Turbo Jet 325

Arriving February 2022.

Powered by a BRP Rotax Ace 900 - 90hp

The Turbojet 325 fits into smaller garages and on bathing platforms of most 12-16m yachts, so it's ideal for smooth trips to the quayside to grab supplies. But it's when you fire up the BRP Rotax engine and open up the throttle that you'll truly discover why we called this iconic tender the Turbojet.
