## Description

Rugged sophistication, cutting-edge convenience and incredible functionality combine in the Boston Whaler 315 Conquest, a boat designed for both hardcore saltwater anglers and those who favor all-day cruising. A full front glass windshield with open sides and a sheet glass enclosure provide a clear, unobstructed view from the helm, while an insulated livewell/cooler, large bait-prep area and storage, and dual in-deck fishboxes ensure anglers have everything they need to get on the fish. The 315 Conquest's cabin features a skylight over the galley and a mid-berth with ample space for bringing along extra family members or friends.
