## Description

Chris Craft Launch 25

88.6 hours running time on the meter.

No trailer included

A very Stylish bowrider That will turn heads on whichever waterway she will live in. This particular Chris Craft presents very nicely, & needs to be inspected to be appreciated. The perfect boat to enjoy Sydney's waterways winter wonderland, some of the best boating is experienced during Autumn and Winter.

The Launch 25 has plenty of Bow space and a practical and comfortable main deck area, plus it has all the classic touches that make it a Chris-Craft.

Powered by an 8.2L Mercruiser MPI, Pushing a Brave Three leg.

Chris-Craft is a truly American story. Born in 1874, it came of age at a time that defined the notion of American ingenuity. While Henry Ford was creating the first motorcars, his watercraft counterpart, Chris Smith, developed the first engine-propelled boats and skiffs. Even during the Great Depression, Chris-Craft thrived because the quality is always prized. During the Second World War, the company reinforced its hold on the American imagination when its landing craft transported the first troops to the Normandy shore on D-Day. In more ways than one, Chris-Craft would become a symbol of liberation and freedom. In 1959, Time Magazine would recognize the popular phenomenon of pleasure boating and put Chris-Craft on its cover. Throughout its rich history, a reputation for quality and style has made it the favourite of presidents, celebrities and icons of American affluence - names like Roosevelt, Kennedy, Vanderbilt, Morgan, Ford, Sinatra, and Hepburn.
